MORNING MEETING ACTION ITEM

TO: DD/I

DD/I called attention to the article by William Beecher in today's New York Times, "Soviet Arms Gain Detected by U. S.," and added that, working together with the DD/S&T, they are preparing a critique of this piece. The Director asked that the article be annotated.

The Director asked the DD/I to get in touch with [redacted] who has asked for a briefing on Western Europe.

25X

31 October 1969

1. An annotated copy of the Beecher article has been given to the Director.

2. An appointment has been made with [redacted] or [redacted] 10 November in the DDI conference room.
